

Tito Appeals for Peaceful Coexistence

By TOM HOGE
UNITED NATIONS, N.Y. (AP)—President Tito of Yugoslavia urged today a summit meeting to chart a code for peaceful coexistence for the nations of the world.

He made the proposal in a speech prepared for delivery before the U.N. General Assembly in which he appealed urgently for an end to the cold war.

The visiting Yugoslav leader asserted that the fundamental political question facing mankind is coexistence among states with different economical and political systems.

Tito put it this way: "It would be of particular importance for the further improvement of international relations and for the strengthening of peace in the world for the United Nations—as the most representative gathering of equal and sovereign nations and as the most prominent forum through which world opinion expresses itself—further to elaborate and to codify the principles of peaceful coexistence."

He said he is aware that the matter is covered by the U.N. Charter and is also under discussion in the assembly's legal committee.

Nevertheless, he added, because of the fundamental importance he attaches to the question, "I feel that the United Nations should devote particular attention to the consideration of this question on a high level and in a manner which would most appropriately reflect its importance."

Tito, making his first visit to the U.N. since 1960, has contended the international organization would draw up ground rules for peaceful East-West relations.

Tito, who came to New York after talks in Washington last week with President Kennedy, has followed a path of nonalignment in the East-West struggle.

Weather Records Fall in State

LITTLE ROCK (AP)—Fifteen daily high temperature records have been set in Arkansas so far this October and the drought shows no signs of letting up.

The most recent record was an 88 set Monday. The old high for Oct. 21 was 87 in 1939.

The highest daily record temperature so far was 97 on Oct. 10 and 11.

Didn't Live to Collect Winnings

WESTBURY, N.Y. (AP)—A retired woolen merchant, who hit the twin double for \$1,683.50 on a \$2 bet, died of a heart attack Monday night as he was about to cash the ticket.

Harry Levine, about 75, of Brooklyn won the parlay Oct. 3—picking the winners of the sixth, seventh, eighth and ninth races—but delayed cashing the ticket.

Levine had handed the clerk the winning ticket and was providing the tax information required of all winners of over \$500 when he slumped over.

The ticket, still unpaid, is being held by police for Levine's relatives.

No Pickup 128.

Students to Organize More Councils

The student councils of Hempstead county schools held a joint meeting Monday night at the Barlow Hotel. There was a banquet, followed by a panel discussion of the organization, functions, and projects of student councils.

County supervisor Elmer Brown organized the meeting for the purpose of helping schools out in the county organize their councils. Representatives from Hope, Belvidere, Spring Hill, and Guernsey attended.

Mac McLarty, Hope president, was moderator for the panel, consisting of officers and members of the various councils.

\$1.9 Billion College Bill to House

WASHINGTON (AP)—The Senate has passed and sent back to the House an amended \$1.9-billion college construction bill. But prospects for final enactment still are uncertain.

Long-time supporters of such federal outlays noted that while both branches passed a college bill last year the final compromise product worked out in conference died in the House. But they said there appear to be more favorable factors this time.

The Senate gave a solid 60-19 vote to the bill Monday, with 41 Democrats and 19 Republicans favoring it, while 11 Democrats, all Southerners, and 8 Republicans voted no. The House passed the bill 287 to 113 Aug. 14.

Rep. Edith Green, D-Ore., chief sponsor of the legislation in the House, said she was hopeful the measure could be sent to conference promptly.

There is one big difference in the two bills, an issue growing out of the church-state relationship.

The grant funds in the Senate bill could be used only for buildings intended for instruction or research in natural and physical sciences and engineering and for libraries. The House version would permit spending on all types of buildings.

The limitations were put in the Senate measure in deference to senators who felt that grants to religious colleges could well violate the separation of church and state doctrine.

Both versions of the measure contain grant and loan funds for new classrooms in public and private four-year colleges, community, junior colleges, technical institutes and graduate schools.

Bankrupt Plant Bids Planned

JONESBORO, Ark. (AP)—Bids will be taken in Little Rock Friday for the purchase of the bankrupt Scott Valve Co. at Blytheville.

Bankruptcy referee Arnold E. Adams announced the bid date at a hearing in Jonesboro Monday. He appointed Leon Burrow, a Blytheville attorney, permanent trustee of the firm.

Adams overruled a move by a bloc of creditors who wanted Kendall Berry of Blytheville appointed sole trustee. Berry had been co-receiver with Burrow.

Adams said he turned the creditors down because Berry is a member of the Blytheville Industrial Development Corp., which leases the building to Scott Valve.

The firm has cut its weekly operating expenses to \$22,900 and has \$230,000 worth of unfilled orders, Burrow said.

Storm Damage Causes Castro to Up Prices

DANIEL HARKER
Associated Press Staff Writer

HAVANA (AP)—Prime Minister Fidel Castro has announced that his government is raising the price of beef, poultry, beer and cigarettes to help pay for a \$200-million flood control program in hurricane-devastated Oriente Province.

In a three-hour television report Monday night on Hurricane Flora, Castro also accused the United States of withholding weather information from Cuban meteorologists during the storm.

He said a charge by the United States that Cuba had refused to allow flights of U.S. hurricane spotter planes over Cuba was "absolutely false."

Castro demanded lifting of the U.S. economic blockade because of the hurricane disaster.

"What we only ask," he said, "is that they cease a blockade on a country which has suffered a disaster of this kind."

The prime minister said a massive public works program for Oriente Province, in eastern Cuba, will include dams and flood control systems so there will never be a repetition of Florida's floods, which ruined crops.

Admitting heavy losses in the sugar crop, Cuba's principal earner of foreign currency, Castro said the price increases are necessary to buy heavy building equipment for the reconstruction program.

He said beef would be hiked to 55 cents a pound and poultry to 65 cents, while 5-cent increases would be added to cigarettes, now 10 cents a pack, and beer, now 25 cents a bottle.

Castro said the hurricane which swept the island two weeks ago had probably taken hundreds more lives than the 1,126 previously announced.

He expressed appreciation for relief sent by foreign countries and said only a U.S. offer of help was rejected.

"We have some reason for this attitude," Castro declared.

This was a reference to an offer from the U.S. Red Cross. Cuba has accepted help from the International Red Cross, which is partly supported by the United States.

His speech was delivered on the eve of last October's missile crisis.

County Well Represented at HD Meet

Hempstead County will be well represented at the National Home Demonstration Club convention in Little Rock this week. Among those serving on the committee to greet out-of-state delegates are Mrs. Ned Purtle, Hempstead County Council President, Mrs. R. C. Snellgrove, Mrs. Ernest Graham, Mrs. Ernest Ridgill, and Mrs. Bettie Duncan, Home Agent.

Wednesday, October 23 in Arkansas Day at the convention and special guests at the banquet that night will include Judge and Mrs. Orrie Byers, Mr. and Mrs. Haskell Jones, Mr. and Mrs. B. N. Holt, and Mr. and Mrs. "Pod" Rogers. A special bus will leave at 5 a.m. Wednesday morning with the following club representatives:

Columbus, Mrs. Ernest Delaney, Mrs. Mary Gilbert, Mrs. Earl Thompson, Mrs. L. K. Boyce, Sr.; Baker, Mrs. Woodrow Baker, Mrs. Dale Tonne-maker, Mrs. Annie Lee Roberts, Mrs. Lawrence Easterling, Mrs. Roy Baker, Mrs. T. B. Fenwick, Sr., Mrs. Paul Holt; Melrose, Mrs. A. C. Kirby, Mrs. M. S. Willis, Mrs. T. L. Smith, Mrs. Virgie Robertson;

Hinton, Mrs. Jimmy Griffin, Mrs. Garland Smith, Mrs. Arnold Middlebrooks; Spring Hill, Mrs. Verner McMurtrey, Mrs. Roy Nations, Mrs. Mary Beasley; Centerville, Mrs. William Aitton, Mrs. Joe Harper, Mrs. Mamie Sanders; Shady Grove, Mrs. Ervin Madlock; Rocky Mount, Mrs. C. L. Roberts, Mrs. Edgar Jones; Friendship, Mrs. Jim Sture; Victory, Mrs. Joe Willett, Mrs. Orville Hoelscher, Mrs. C. J. Rowe;

Liberty Hill, Mrs. Jack Huckabee, Mrs. A. B. King, Mrs. Lester Kent, Mrs. E. H. Byers; Shover Springs, Mrs. Harold Sanford, Mrs. Naomi Dillon; Guernsey, Mrs. Troy Burson; Homemakers, Mrs. Archie Smith, Mrs. Velma Collier.

The firm has cut its weekly operating expenses to \$22,900 and has \$230,000 worth of unfilled orders, Burrow said.

Debra Ann Biddle, daughter of Mrs. Betty Plumley Biddle, formerly of Hope, recently won a "Tiny Tots Thru Ten" contest at Burbank, Calif. . . her grandmother is Mrs. Dorothy Butler, formerly of Hope and her great grandmother is Mrs. Dee B. Atchley Sr. of Hope.

U.S.-Owned Ship Fired on by Cubans

NEW YORK (AP)—An American-owned ship, registered under a foreign flag, was strafed off the coast of Cuba today, its owners reported.

The attack damaged the superstructure and hull of the SS J. Louis, carrying a cargo of ore and set a fire in the forecastle, but caused no casualties, according to the captain's radioed report.

A spokesman for W.W. Wagner of Universe Tankships Inc., owner of the J. Louis, said the attack occurred about 12 miles off Cape Corriente, Cuba. The ship was en route from Ocho Rios, Jamaica, to Corpus Christi, Tex., carrying 31,500 tons of bauxite ore.

The ship's master, a Capt. Krause, reported afterwards to Wagner by radiogram:

"Under heavy airplane gunfire attack with 16 passes counted, causing damage to superstructure and hull above waterline. Fire under forecastle. After two hours of fire fighting now under control. No casualties."

The ship, a 33,000-ton vessel built in 1961 and registered under a Liberian flag, is under charter by the Caribbean Steamship Co., the spokesman said.

In Key West, Fla., the Navy said it had checked a report that a vessel had been fired on near the western tip of Cuba and sent aircraft to the scene.

Masons and Eastern Star in Joint Meet

Whitfield Masonic Lodge No. 239 and Eastern Star Chapter 328, Hope, will honor their past masters and past worthy matrons and patrons Thursday, Oct. 24, at a supper at 6:30 p.m. Special speaker in the Temple will follow at 7:30 p.m.

There will be from 25 to 30 past masters' pins awarded, some dating back as far as 1906. A gift will also be presented to all past worthy matrons and past worthy patrons.

All Masons and wives and Eastern Stars and their wives and husbands are urged to attend this annual meeting of two fraternal organizations. If you plan to attend contact Worshipful Master Hobart D. Shirley or Webb Laseter, secretary and Mrs. Margaret McFarland, worthy matron, of Emmet.

18.8 Million Chicks in Sept.

LITTLE ROCK (AP)—Arkansas commercial hatcheries produced 18,818,000 chicks in September, six per cent more than in the same month last year, the Crop Reporting Service estimated today.

The broiler chick hatch amounted to 18,129,000 and the egg-type 689,000. There were 8,707,000 egg-type chicks hatched during the first nine months of 1963, compared with only 5,666,000 in the same period of 1962.

Station Plans Big Celebration

NEW YORK (AP)—Grand Central Terminal will be transformed into a ballroom for a New Year's Eve benefit dance with a champagne supper at midnight.

There will be room for 3,000 dancers in the main concourse and the waiting rooms.

The National Association for Mental Health has leased the concourse for the one night.

Guy Lombardo's orchestra—augmented somewhat—will play.

Stephen T. Kelley, terminal manager, said passenger train travel will not be interrupted, but will be rerouted to the lower level.

Birmingham Rejects Negro Ultimatum

By DON MCKEE

BIRMINGHAM, Ala. (AP)—City officials rejected today an ultimatum by integration leaders that Negroes be hired as policemen or the city would face renewed mass demonstrations protesting segregation.

Councilman George G. Seibels Jr., reporting on a study of the issue, said, "We cannot recommend anyone be employed as a matter of special privilege only."

Seibels said a two-week deadline set by Negro leaders was irresponsible and ill-conceived, giving no weight to civil service regulations.

Seibels, chairman of the Public Safety Committee, said in a preliminary report to the nine-member council that his group's ultimate decision would be "based on what is best for the entire city without pressure or outside interference from anyone."

Dr. Martin Luther King Jr. said Monday night he would confer with other Negro leaders and that an announcement on the renewal, or cancellation, of demonstrations would be made after the City Council session.

King, who led massive demonstrations here last spring, said Negro leaders must receive a public statement and promise that Negroes will be hired as policemen. The force has 465 white officers.

Woman Patient Falls to Death

LITTLE ROCK (AP)—A Negro woman patient at the University of Arkansas Medical Center fell to her death from a fifth-floor ledge today.

She was identified as Florence Daniels of Scott, Ark. Attend-ants said she underwent surgery Monday.

They said she climbed out on to a ledge during a change of nursing shifts while attendants thought she was asleep.

Coroner Howard Dishongh was to issue a report on the death.

Fire Destroys Newport Tavern

NEWPORT, Ark. (AP)—The Jarvis tavern in downtown Newport was destroyed by fire Monday and the owner, Noble Jarvis, estimated his loss at \$50,000.

Jarvis' loss included an adjoining liquor store which suffered smoke and water damage. The Newport Music Co., also adjoining the tavern, had smoke and water damage.

NBC to Film Folk Festival

LITTLE ROCK (AP)—The National Broadcasting Co. will film the Ozark Folk Festival at Eureka Springs and the Arts and Crafts at War Eagle this week for use in its Project 20 series.

Lou Oberste of the state Publicity and Parks Commission said an informal meeting of the Hackensack Folklore Society at Mountain View would also be filmed.

Oberste said NBC did not set a date for the showing.

State Forest Rangers Barely Holding Own

LITTLE ROCK (AP)—Arkansas forest rangers are holding their own in a grim battle against forest fires as a condition of extremely high hazard moves into its second month.

State Forester Fred Lang warned a month ago that the forest fire threat was as high in Arkansas as in 1952 when 7,328 fires destroyed a record 237,720 acres.

Looking back today, Lang said that damage has been held down because rangers of the Forestry Commission and volunteer help from industry and private landowners have been better coordinated this year.

The state has had no significant rain in almost six weeks. Scattered showers last week reduced the hazard for less than 24 hours.

So far this year, 4,580 fires have burned over 154,156 acres. This month the total is 10,352 acres destroyed by 596 fires.

The main trouble spots are South and Southwest Arkansas.

Fires in North Arkansas are being held to a minimum, Lang said, because farmers and landowners in that area do not burn over grasslands in the fall.

"They are being real careful up there," Lang said. "In some of the North Arkansas districts we didn't have a fire reported over the weekend."

So far, rangers have moved in quickly and put the fires out before they spread over large acreages. There have been few fires which topped 100 acres each.

Lang said the fire hazard will remain great until the state gets a general rain and the forecast does not indicate any rain in the near future.

Procedures Step Up Support Loans

WASHINGTON (AP)—Under a simplification of procedures, many farmers will be able next year to get price support loans on grains and some other farm commodities within four or five days instead of waiting five to six weeks as in the past.

In announcing changes in the regulations, the Agriculture Department said it sought to make its price support operations more effective in strengthening farm prices and incomes.

The simplified rules will apply to farm-stored corn, wheat, oats, barley, rye, sorghum, grain, rice, dry beans, peanuts, honey and tung nuts or oil. They will not apply to cotton or tobacco because a little of these crops is stored on farms.

Under the new regulations, time between application for a loan and its receipt will be reduced very sharply because exact measurements of quantity and quality will not be made. A representative of the county Agricultural Stabilization and Conservation office and the farmer will make a quantity estimate of the commodity stored on the farm. The county office will forthwith issue a loan draft covering 90 per cent of the estimated quantity stored.

Heretofore, exact measurements as to quantity and tests to determine quality had to be made. This often took four to six weeks.

Fire Destroys Newport Tavern

NEWPORT, Ark. (AP)—The Jarvis tavern in downtown Newport was destroyed by fire Monday and the owner, Noble Jarvis, estimated his loss at \$50,000.

Jarvis' loss included an adjoining liquor store which suffered smoke and water damage. The Newport Music Co., also adjoining the tavern, had smoke and water damage.

NBC to Film Folk Festival

LITTLE ROCK (AP)—The National Broadcasting Co. will film the Ozark Folk Festival at Eureka Springs and the Arts and Crafts at War Eagle this week for use in its Project 20 series.

Lou Oberste of the state Publicity and Parks Commission said an informal meeting of the Hackensack Folklore Society at Mountain View would also be filmed.

Oberste said NBC did not set a date for the showing.

Youth Dies in House Fire

NORTH LITTLE ROCK (AP)—An 11-year-old Negro boy died today in flames that destroyed his seven-room home.

Fire Chief John Finn identified him as Kenneth Ray Brown, son of Mr. and Mrs. Ernest Brown. Finn said cause of the fire had not been determined.

Firemen prevented damage to other houses in the block.

The boy's body was found behind a bed in a back room. Other occupants of the house got out safely.

Bulletins

NEW YORK (AP)—Ralph Houk, field manager of the New York Yankees for the past three years, was named general manager Tuesday, succeeding Roy Hamey, who retired because of ill health.

The successor to Houk as manager will be named Thursday, and the prime candidate is Yogi Berra, the long-time Yankee catching star.

Under Houk, the Yankees won three American League pennants and World Series championships in 1961 and 1962. They lost the '63 Series to the Los Angeles Dodgers in four straight games.

LITTLE ROCK (AP)—The Arkansas Game and Fish Commission halted hunting in 9 east Arkansas counties today because of the forest fire threat.

Several bad fires were reported in the area, including one in a game reserve, and commissioners were polled by telephone for the vote on the halt to hunting.

The counties are Mississippi, Craighead, Poinsett, Crittenden, Phillips, St. Francis, Greene, Clay and Lee. They comprise the commission's District 1.

Sunny Skies, Humidity Low in State

By THE ASSOCIATED PRESS
Sunny skies, low humidity and light to moderate daytime winds will continue to be the main features of Arkansas weather the next few days.

The U.S. Weather Bureau at Little Rock says the dry weather regime remains well entrenched over the southeast states and there is very little indication of a major change.

The forecast called for clear to partly cloudy with little change in temperatures through Wednesday with highs today of 82 to 90 and overnight lows of 45 to 55.

Highs Monday afternoon again went to the mid and upper 80s, while overnight lows were in the 40s and low 50s. Gilbert, in north central Arkansas, continued to be the cold spot, with a low of 39.

Keiser, in northeast Arkansas, continues to be one of the driest spots in the state—now in its 54th day with a rainfall total of .07 of an inch.

The dry air has created ideal harvest conditions and the Agricultural Marketing Service in Little Rock said the cotton harvest is about two thirds complete.

Ginning is still running behind the pace of the harvest in most areas, but in some areas night ore ware being laid off.

Middling cotton continues to dominate in grade, with about two-thirds of the crop being classified 1-16 inches in length.

AP&L Gets Go Ahead on Plant

LITTLE ROCK (AP)—The Arkansas Public Service Commission has authorized Arkansas Power and Light Co. to construct a generating station and erect a power line in Phillips County to serve a lock and dam on the White River west of Melwood.

Faubus Discusses Hays' Statement

LITTLE ROCK (AP)—Gov. Orval E. Faubus said Monday that he thought it was very significant that someone close to President Kennedy would admit that Kennedy's civil rights stand would cost him popular votes.

Faubus referred to a statement by Presidential Assistant Brooks Hays that Kennedy would suffer only "a monetary loss" in popular support as a

Today's News Around the World

By THE ASSOCIATED PRESS

LONDON (AP) — A hearing is being held to determine whether Sir John Hobson, Britain's attorney general, violated professional ethics in the deportation case of an African chief.

It is believed to be the first such arraignment of an attorney general, Britain's chief legal officer.

The chief, Anthony Enahoro, was returned to Nigeria last May and sentenced to 15 years in prison for treason.

The masters of the bench of the Inner Temple, one of four British Inns of Court responsible for maintaining the ethics of the legal profession, opened a private hearing Monday on charges by Reginald Paget, Labor member of Parliament, that Hobson presented an inaccurate and misleading affidavit in the case.

DUNLOON, Scotland (AP) — The commander of the U.S. Polaris submarine base in Holy Loch says his men aren't entirely to blame for any increase in local immorality.

Capt. David Bell said the behavior of U.S. sailors is no worse than that of British sailors in the area.

The Rev. Allan MacLeod told his Presbyterian congregation Sunday there had been an increase of immorality since the Americans arrived. Bell said he presented "the reverend for

Weather Bureau holds little hope for easing of drought conditions in certain areas of the East and Midwest.

Temperatures will continue above normal in the central and eastern regions of the country well into November.

Powerless Ship Tossed by Big Waves

By THE ASSOCIATED PRESS

Hurricane Ginny meandered off North Carolina today while two Coast Guard cutters stood by a powerless Navy destroyer escort that was wallowing but safe with her crew of 10 on the storm's fringe.

The 306-foot decommissioned vessel Fogg broke a towline Saturday night in the Atlantic and drifted helplessly.

The New York Weather Bureau said the storm was centered 165 miles southeast of Cape Hatteras with no diminishing of her highest winds — about 80 miles an hour.

However, the Coast Guard reported that the Fogg was in an area where waves had abated from 25 to 60 feet high to 10 feet.

The Coast Guard vessels were awaiting further abatement before attempting to get a line to the Fogg. They reported the Fogg high in the water and in no apparent danger.

The Coast Guard cutter Casco reached the Fogg Monday night, after the vessel had been sighted by a Navy hurricane-hunter plane.

The Casco, a 311-foot patrol gunboat, was joined by the cutter Chilula in standing watch within 1,000 yards of the Fogg, reported about 100 miles east of Cape Fear, N.C.

Shortly after daybreak, the Coast Guard said the Chilula moderating, but there was no indication when or if the 205-foot ocean-going tug would attempt to get a line to the Fogg.

The center of Hurricane Ginny was about 60 miles northeast of the ship the Coast Guard said.

On Trial for Killing Doctor

LITTLE ROCK (AP) — Ten witnesses were put on the stand Monday as Raymond Ralph Roberts, 47, of El Dorado, went on trial for the murder of Dr. Keith Herlocker, 48, a psychologist at the North Little Rock Veterans Administration hospital. Testimony continued today.

U.S. Attorney James W. Gallman said the government would show that the shooting was prompted because Roberts had been denied an application for Social Security benefits as a totally disabled person.

Herlocker was shot March 4 while in his office at the hospital. He died two days later. Roberts, a patient at the hospital, was arrested two hours after the shooting.

Roberts is being tried in U.S. District Court because the offense occurred on federal property. The possible penalties on conviction remain the same — death or life imprisonment.

John W. Bailey, court-appointed attorney for Roberts, said he would show that Roberts knew nothing of the killing of Herlocker.

Residents of North Carolina' off-shore islands rode out the storm with few actual hurricane precautions. Businesses and schools opened as usual.

Hurricane Ginny continued to lash the North Carolina coast. She was reported about 150 miles southeast of Cape Hatteras, N.C., after remaining in a small area throughout Monday.

Ginny was following an erratic course that could take her out to sea.

CONWAY, Ark. (AP) — A Faulkner County coroner's jury ruled Monday justifiable homicide in the shooting Saturday of Buddy Joe Kinney, 32, of Mayflower.

Kinney was shot by his mother-in-law, Mrs. Zora Wright, 46, at her home near Mayflower. Mrs. Wright and her daughter, Mrs. Leona Kinney, testified that Kinney was coming into the house with a rifle when he was shot.

Both women said Kinney was looking for his wife and tore off a screen door and fought with

Tech Player Apologizes, Quits Squad

ATLANTA (AP) — Georgia Tech end Ted Davis publicly apologized today for kicking Auburn halfback David Rawson in Saturday's football game. Davis then turned in his uniform and his resignation was accepted.

The senior lineman said he was quitting the team to save Tech "the embarrassment of kicking me off the football squad."

He added: "I hope David Rawson will try to forgive this terrible thing that I did in anger. I pray that God will help me to control my emotions in the future."

Rawson, meantime, was reported greatly improved at Emory University Hospital. His physician, Dr. Edgar P. Fincher, said he is "perfectly all right" and "vomiting was his only symptom."

Coach Bobby Dodd praised Davis' forthrightness in facing "his mistake" but nevertheless accepted his resignation from the team and announced that he would play no more football at Tech. The former player, a good

British to Buy Super Bombers

LONDON (AP) — The Ministry of Aviation announced Monday it will buy an initial 30 TSR2 supersonic bombers from the British Aircraft Corp. for use by the Royal Air Force.

The TSR2 is a hedge-hopping bomber designed to carry a variety of nuclear weapons, including free fall bombs and four types of missiles.

U. S. Airlift

Continued From Page One

bases in Maine—Loring AFB and Dow AFB.

The first to take off from Loring was a huge KC135 jet tanker of the Strategic Air Command. The tanker planes headed out to make refueling contact with supersonic F100s and F105s.

"The eyes of the world are on you," Gen. Paul S. Adams, chief of the strike command running the airlift of 16,000 soldiers and airmen, told the troops at Ft. Hood shortly before they boarded buses en route to the air bases.

U.S. officials have said the major aim of Big Lift is to demonstrate to this country's allies and to the Soviets an ability to reinforce swiftly the forces facing the Communists along the Iron Curtain in West Europe.

"We're ready to go," said Maj. Gen. Edwin H. Burba, commander of the 2nd Armored.

Hurricane Ginny, cavorting off the Atlantic Coast, changed part of the flight plans. Some flights originally scheduled to fly to Germany by way of Bermuda and Azores turned to the northern route over Greenland and Scotland.

The exercise is the largest long-range airlift of armed men in history. Its total cost is estimated at \$20 million, including payment for 6½ million gallons of fuel needed for air transports alone.

Burma estimated the transatlantic transfer of 14,500 division soldiers and supporting artillery and truck troops, plus 116 jet fighters and other planes with 1,500 airmen, would take 63 hours and 40 minutes.

Sea movement of the 2nd Armored and its more than 27,000 tons of equipment would take about four weeks. That does not include time needed to load and unload if the heavy gear was not already in depots west of the Shine River.

A total of 202 transports carried the Army troops with 29 other planes stationed at various refueling points for use if any troop carriers should break down en route.

Witness Is Jailed for Contempt

MORRILTON, Ark. (AP) — A

former official of the state Republican Party was jailed for contempt of court Monday for failure to answer questions during a libel trial in Conway County Circuit Court at Morrilton.

Marion B. Burton, a North Little Rock attorney, was ordered to jail by Circuit Judge Wiley Bean for refusing to answer questions about his association with the Republican party.

Burton, who recently resigned as administrative assistant to the state Republican Party chairman, was a defense witness in a \$100,000 libel action against Gene Wirges publisher of the Morrilton Democrat.

The suit was brought by Conway County Clerk C. C. Brewer who contended he was libeled in an article in the Morrilton Democrat concerning school election irregularities.

The jury awarded Brewer \$75,000.

While the jury was deliberating Burton was called into Bean's chambers because Bean said he wanted to question Burton about his testimony.

Burton had testified that he had investigated charges of election irregularities while he was working for the Republican party. Burton said he had filed four election lawsuits in Conway County and one in Madison County.

Bean asked Burton what his position was with the Republican party and Burton refused to answer. Burton said he did so because the meeting in Bean's chamber was an illegal proceeding.

Burton summoned Wirges' attorney, G. Thomas Eisele of Little Rock, in defense.

Bean said he was ready to put Burton in jail until he answered the questions and Burton said he was ready to go to jail.

Bean ordered Sheriff Marlin Hawkins, who was present in the chamber, to take Burton to jail.

Burton said when Hawkins booked him he wrote "contempt of court for refusing to answer questions of the court."

Burton said he told Hawkins to strike that and write instead "by order of the judge," which Hawkins did.

Burton remained in jail for more than three hours before he was released. He said he was taken from the jail to see Bean again and Bean told him he was letting him go home.

Burton said Bean did not reveal why he was releasing him. Bean told Eisele while Burton was in jail that he would not allow Burton to practice law in his district, Burton said.

Bean refused comment on any student, will remain, however, to take his degree at next commencement.

Films of the game, which Auburn won 29-21, show that Davis kicked Rawson in the face. Tech was penalized 15 yards for Davis' action. The penalty set up an Auburn field goal.

CHATTER

By "BILL"

Not too long ago the word "automation" was seldom used. Now you hear it every day.

The way we understand it, more and more things will be done by automation from now on. It simply means pushing buttons. Machinery with a built-in brain starts things going, and through hundreds of continuous and automatic operations, most anything can be accomplished.

The newest thing on the market is the invention of buttons to push the buttons!

It does not seem practical, but it could happen that before long we will have one of the machines in the dress business.

We can just picture it, a big overhead assembly line with dresses suspended in the air; you choose one, push a button and presto... it drops down over the body... another pushed button takes care of the alteration; another one wraps the package, and there you are... signed, sealed and delivered!

Right now the newsworthy trend in the evolution of fashion is custom-sizing. More and more well-styled, ready-made apparel, proportioned to fit the many size ranges of American women's figures, are available in stores.

We invite you to just try one on, the Jeanne Durrell Petite size. Beautiful wool knits, Arnel jerseys, dacron and cotton, all of the seven wonders of fall fabrics; they are lovely to look at and delightful to wear. You will like the price, from \$19.95 to \$29.95. We have many other custom sizes to show you at Raley's Style Shoppe, Hope's House of Fashion.

Phone 7-3431 Between 9 A.M. and 4 P.M.

Calendar

Tuesday, October 22

Chapter AE, P.E.O. will meet at 3 p.m. Tuesday, October 22 in the home of the president, Mrs. Herbert Stephens.

The Fidelis Sunday School Class of the First Methodist Church will have a potluck social at the home of Mrs. J. Ross Moore, 507 East 14th Street, at 7 p.m. Tuesday night, October 22.

All members and associate members are urged to attend.

The Cosmopolitan Club will meet Tuesday night at 7:45 in the home of Mrs. Eddie Whitman with Mrs. Kelly Bryant as co-hostess.

Tuesday, October 22

The Tina Ambassadors Sunday School class of the Garrett Memorial Baptist church will meet in the home of Mrs. Clyde Johnson, Tuesday night at 7:30, with Mrs. Annie Hockett as co-hostess. All members are urged to be present.

Wednesday, October 23

Wednesday evening at 6:30, the First Presbyterian Church will have a pot luck supper following the study, "Three Letters of John".

Mrs. Joe Keesey will present the program. Everyone is urged to be present. A baby sitter will be provided.

The Catholic Ladies Altar Society will have their annual Spaghetti Supper Wednesday, October 23, serving from 5 to 8 p.m.

The Garland Brownies will have their first meeting Wednesday in the Little House following school.

All members are urged to attend.

The Wesley Choir of the Methodist Church will practice Wednesday evening, October 23, at 6:30 in the sanctuary of the church.

The Hope Junior Auxiliary will meet Wednesday at 10 a.m. in the Community Room of the First National Bank. The executive committee will meet at

9:15.

Thursday, October 24

The Ladies' Bridge Luncheon will be held at Hope Country Club Thursday, October 24. A potluck luncheon will be served at 12:30.

W.M.S. Circle 3 Meets

W.M.S. Circle 3 of the First Baptist Church met Monday afternoon in the home of the Chairman Mrs. J. V. Moore, Jr. Those members attending were Mesdames: J. S. Atchison, B. R. Fudge, J. S. Gibson, A. A. Halbert, L. F. Higgason, W. B. Mason, C. M. Rogers, Jr., Connie Ward and C. F. Wiggins.

A prayer for Southern Baptist missionaries having birthdays on the 21st was led by Mrs. Higgason.

During the business session Mrs. Moore called on Committee chairmen to give their monthly reports and assigned hostesses for the year. Mrs. Higgason and Mrs. Gibson were elected co-program chairmen.

A most inspiring program based on the book Grace McBride, Missionary Nurse was brought by Mrs. Rogers.

Apple pie, nuts and drinks were served to the guests prior to the business and program.

Daffodil Club Meets

The Daffodil Garden Club met on Thursday, October 17 in the home of Mrs. Don Evans with Mrs. Duffie Booth, co-hostess. Club president Mrs. Dick Moore had charge of the business meeting.

The "Garden Guide" for the month was Mrs. George Frazier, who gave some helpful tips on flowers. Mrs. J. C. Carlton was the guest speaker and told about "The Care and Keeping of Bulbs." There was a bulb exchange, and Mrs. Harold Brents won a Surprise Package containing one of Mrs. Carlton's beautiful bulbs.

During the refreshment hour dessert and coffee were served to 17.

Annie Hoover Circles Meets

The Annie Hoover Circle, Mrs. Perry Moses Chairman, met Monday afternoon in the home of Mrs. Homer Beyerley with 12 members including 2 new members, Mrs. Fred Hall, and Mrs. P. L. Perkins attending. Mrs. Moses called the

meeting to order with Scripture and devotional thoughts and led in prayer for the Southern Baptist Missionaries who have birthdays today. Plans were made for the new year and several announcements were made, including the District Meeting October 29 at Stamps. Miss Sue Wesson was appointed Community Mission Chairman and Mrs. Walter Miller, Jr. was appointed Prayer Chairman. The program for the day was a book review on the book "Grace McBride, Missionary Nurse," given by Mrs. Henry Haynes. Mrs. Perry Moses closed the program by reading scripture about Jesus often being called the Great Physician. A dessert plate was served by the hostess.

Centerville Home

Demonstration Club Meets

Centerville H.D. Club met Wednesday afternoon with Mrs. S. B. Skinner. The meeting was called to order by the President, Mrs. Vernie Goynes.

The group joined in singing "Then and Now" led by Mrs. J. McRoy.

The devotional was by the hostess, who also gave the prayer. Mrs. Bettie Duncan gave the lesson on "Selecting different Fabrics and the care of them." A report was given by Mrs. H. Bearden. A poem was given by Mrs. W. C. Beck.

There were fourteen members and two guests, Mrs. Bettie Duncan and Miss Janice Beck. Cookies and cold drinks were served following the meeting.

Coming and Going

Mr. and Mrs. C. W. Tarpley have returned from a weekend visit in Woodville, Texas with Mr. and Mrs. Kenneth Leslie, Leta Jo and Kathy.

Mr. and Mrs. K. G. Hamilton attended the Tyler Rose Festival this weekend and visited the Buster Rogers family.

Bill Lawrence, who is attending the Austin College Seminary in Austin, Tex., spent the weekend with Dr. and Mrs. L. T. Lawrence. On Saturday Bill and his brother, Larry, attended the Ark-Tex football game in Little Rock.

Among the Razorback fans from Hope at the Ark-Tex game Saturday were Mrs. Thompson Evans, Jr., Luther Hollamon, Mr. and Mrs. Mike Kelly, Mr. and Mrs. Byron Laffner, the Bob Westbrooks, Larry Don Wright, Ricky Butler, and George Wright, Jr.

Lt. (j.g.) and Mrs. Dale Zinn, Norfolk, Va., are visiting his mother, Mrs. Clyde Zinn. He is stationed aboard the USS Enterprise which recently docked after a Mediterranean tour of duty.

Mr. and Mrs. Joe Jones went

DOROTHY DIX

SHE'S ON A SEE-SAW

By Helen Worden Erskine

Dear Helen: I am on a see-saw. One day I want to leave my husband, the next, stay. We've been married 20 years, have two teen children and, up to five years ago, I was faithful.

My husband's work took him out of town. To fill in the time, I taught dancing. An old boy friend turned up for lessons and proposed marriage if, and when, he could divorce. Never before had I experienced the emotions he aroused.

Finally, I confessed to my husband. He begged me not to leave, but after seeing us together said I could have the divorce if the other man paid for it. His wife refused to let him go. I felt such a fool.

For a whole year I didn't see my lover, then a nurse phoned from a hospital. Would I come. The man was desperately ill. I went, feeling enslaved. He recovered and, hating myself, we resumed our relationship.

About this time I met another man and, out of curiosity, accepted his invitation to dinner. Now I am in love with him!

The first man threatens to make trouble, but it is the second one I love. We both have families and he is younger than I. Am I a no-good? I come from upright, respectable, religious people but—look at me now! All I can think of is run away to commune with God and, if I can't start a new clean life, kill myself.

I tell my husband I love him because I know it will make him happy. He's a wonderful guy. But, if he ever learns about this man, he will surely murder me. Yet what is life without love—Frightened?

Dear Frightened: Your see-sawing up and down with alternating partners is unfortunately not at all unusual at your age. Nor is it confined to the female of the species. But many marriages survive and the principals are thankful that they did.

Dismiss the thought that you are a "no-good." You are not, if you'll be realistic about yourself and your husband, and immediately start regaining your self-respect by gracefully accepting the fact that the romantic phase of your marriage has to be replaced by a more mature appreciation of each other.

Despite your philandering, there is a strong streak of goodness in you, and deep affection for your husband, who evidently loves you very much. There are many kinds of love rightfully claiming one's heart at different junctures in life. Let the

to Little Rock Monday for the funeral for her cousin, Julian Aldrich.

mutual affection and devotion between you and your husband, and your love of your children, fill your heart now to the exclusion of all other attachments. Send a stamped, self-addressed envelope for my leaflet, "Key-stones of the Home."

Dear Helen: How old should a girl be to wear lipstick, tight skirts, high heels and nylons? At what age do you feel it proper for her to date, give and go to parties, let boys take her to the movies or riding with them? I am only 12 but I like to know about these things before I do them.—Want to Know

Dear Want to Know: At about seventh grade some girls wear stockings, moderate heels and a touch of pale lipstick to parties. Tight skirts are unattractive at any age. Parties can take place from the time kids are two (if Mother's nerves are made of steel) upward. Going with boys to the movies generally starts in junior high. As for "riding with them," boys aren't eligible for automobile licenses until the age of 16.

Dear Helen: Could you advise me as to literature suitable for girls in their early teens I'm interested in books which will explain the do's and don't's of life. Also, where can I buy them—Questing

Dear Questing: If your local public library or junior high school can't help you, write Bantam Books, 25 West 45th St., New York, for a copy of "The Children's Book Shelf," which was compiled by the Child Study Association of America and costs 60 cents. As for explaining the facts of life, there are innumerable books on this subject in almost every book or drug store in the country. One of the better ones is by Dr. William Menninger, titled "How to Be a Successful Teen-Ager," published by Sterling, New York City.

Have you a problem? Perhaps Helen Worden Erskine can help you. Write her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Recognized Mom and Pop

By THE ASSOCIATED PRESS SAN FRANCISCO (AP) — "That is Mommie and Daddy," the 2-year-old in the front row yelled as the bridegroom kissed the bride.

Speaking was Andrew Mayo and he was right. Andrew and his 4-year-old sister, Amanda, were among the guests as actress Janet Blair and television producer Nick Mayo repeated their marriage vows.

The ceremony took place in the same Swedeborgian church where they were married 11 years ago. Andrew's outburst didn't bother Miss Blair. "What can you expect when you take your children to your wedding?" she said.

More Receipts to Four Counties

LITTLE ROCK (AP) — Four more counties reported poll tax figures to the state auditor today and all had issued more receipts than in 1960 when a record 603,785 voters qualified.

Only eight of the 68 counties which have reported so far show a lower figure this year than in 1960. Most of these are counties in which Republican sentiment is strong and the cur-

The FAT'S BACK IN THE FIRE

The campaign against obesity and cholesterol continues. Drew Foods, a subsidiary of Drew Chemical Corp., has announced taurate egg — the result of putting hens on low-fat diets. But, for the first time, the anti-fat faddists are beginning to take a few lumps. One doctor announced that the perils of fat have been grossly exaggerated. Others have expressed the opinion that sporadic reducing regimens, making dieters skinny for a time only to gain weight again and then go back on another diet, may be more harmful than a constant state of reasonable corpulence.

A real shocker was the report by two George Washington University medical researchers that the blood-fat levels of Trappist monks, vegetarians by faith, are not significantly different from those of average Americans who eat what they please. The researchers had expected to find that the monks had low cholesterol levels and thus were more immune to heart attacks since the fatty blood components are believed to be associated with arterial clogging.

Writing in the New England Journal of Medicine, the researchers reported: "Despite adherence to the strict, low-fat, vegetarian diet, the majority of the subjects had serum cholesterol values that, when adjusted for age, were within or near the expected range for the general population." Well, back to the old frying pan. —Alabama Journal - Montgomery

Mental Test for Accused Slayer

LITTLE ROCK (AP)—Federal Judge J. Smith Henley ordered Tuesday a second psychiatric examination for Raymond Ralph Roberts, 47, of El Dorado, who is charged with murder.

Roberts is charged in the March 4 shooting of Dr. Keith E. Herlocker, 47, a psychologist at the North Little Rock Veterans Administration Hospital.

Herlocker was shot in his office and died two days later. Roberts, a patient in the hospital at the time, was arrested two hours after the shooting. He has been held since then in the Pulaski County Jail without bond.

Roberts has already been given one psychiatric examination at the Federal Medical Center at Springfield, Mo., but his attorneys requested another one.

Henley appointed Dr. W. Peyton Kolb, a Little Rock psychiatrist, as an expert witness and told him to judge Roberts' competency at the time of the shooting and his competency to stand trial.

rent poll tax will not qualify the voter to vote in a presidential election.

The 68 counties have issued 497,759 poll tax receipts, 23,163 more than the same counties issued in 1960.

Counties reporting today, with the 1960 figure in parentheses: Miller 11,138, (10,828), Montgomery 2,750 (2,517), Ouachita 12,054 (11,150), Prairie 4,158 (3,838).

Here's How State Members Voted

WASHINGTON (AP) — How Arkansas members of Congress voted on recent roll calls:

Senate
On passage, 69-11, of bill to establish a federal water pollution control administration: Voting for — Fulbright, McClellan.

House
On passage, 157-154, of bill authorizing grants of up to \$500,000 a year for collection and publication of historical documents: Voting for — Harris, Trimble. Voting against — Gathings. Not voting — Mills.

Assistance to Viet Nam Troops Cut

WASHINGTON (AP) — The United States is cutting off assistance to the South Vietnamese special force troops that led government raids against Buddhist pagodas.

They will get no more U.S. help until they are assigned to field duty against Communist guerrillas.

The action, announced Monday by the State Department, is a direct challenge to Ngo Dinh Nhu, brother of South Viet Nam President Ngo Dinh Diem and reportedly the behind-the-scenes ruler in Saigon.

It is also, State Department officials said, in line with President Kennedy's announced policy—the United States will support what helps the war effort and will not support what does not.

The troops are an elite airborne corps numbering about 8,000. Beside military assistance they have been receiving about \$300,000 a month from the U.S. Central Intelligence Agency for special anti-guerrilla warfare.

Headed by Col. Le Quang Tung, a devoted supporter of Nhu, about 4,000 of them were placed on special duty in August. In this role they led the government raids against Buddhist pagodas. An estimated 2,000 or more remain in Saigon, serving—according to some reports—as a palace guard to protect Nhu from domestic opposition.

seamless s.t.r.e.t.c.h tights

by **MOJUD** hosiery

These 100% nylon tights are the perfect fashion for sports, dancing, shopping or just plain lounging.

Mojud Hosiery tights are seam-free and will never bag or lose their shape. The exclusive Magic Motion wider waistband will never fold or ravel, assuring a neater, more comfortable fit. And the reinforced "shadow proof" panty gives wonderful extra warmth when blustery winds start to blow.

Mojud Hosiery seamless tights come in such a wonderful array of basic and high-fashion colors that both mothers and daughters of all ages will want several pairs to mix and match with every outfit.

The miracle of the Bible is that it never grows old. For you and me today it is the Book of the Year. But it has held that same position of importance for peoples of the world for centuries past. No matter how "modern" we might think our work or our way of living, a knowledge of the Bible remains a requirement of general intelligence.

—Charles R. Hook, former chairman for National Bible Week, sponsored by the Laymen's National Committee, Inc.

Replacement Show Not a Bit Funny

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP)—It's not very often that even a dedicated television viewer has an experience like "Laughs for Sale." That is the program, unfortunately, that has replaced Sunday nights "100 Grand."

I cannot remember a program so inane, pointless, unfunny and disorganized. If it lasts a couple of weeks, it could make jokes and comedians go out of style. The idea is to solicit comedy material from writers-new and undiscovered or old and discovered. The material, selected by an unidentified board of experts, is read by professional comedians.

Sunday night the professionals all were good, funny people—Mickey Rooney, Phil Foster and Sheeky Greene—who tried but could not conceal their distaste for the material. Comedienne Cara Williams was around, too, and I suspect that her spot was cut out of an over-long tape. She was the luckiest guest star of the four.

ABC ought to be ashamed of itself for this shabby show.

The same network, earlier Sunday evenings, is experimenting with a 90-minute show called "Arrest and Trial." Sunday night it had a story so full of emotionally disturbed characters it looked like an out-patient clinic for the network's "Breaking Point" psychiatry series.

One show returning for a new season has quietly picked up a new format and is much happier and faster than before. It is NBC's "Joey Bishop Show" on Saturdays.

Joey seems more easy in his role and the format now includes a sort of concealed night-club or variety type entertainment each

high schools in the District will also be on the afternoon program.

Guest speaker during the evening session will be Mrs. Arant, Supervisor of City Schools, Pine Bluff, Arkansas.

Sunday, October 27

Veterans of World War I of the American Legion Hempstead County Barracks 558 will have its monthly meeting at the Community Center at 2 o'clock. This is a meeting of importance. Lee Tyus Commander

Union Mission Holds Annual Feast

The Union Mission of the Prescott District held its annual feast at Shorter Chapel A.M.E. Church, Blevins, Arkansas September 28, 1963.

Three other churches, Mt. Pleasant, McCaskill-St. Thomas, Prescott-Antioch, Emmet-participated.

Refreshments were served, after which a program was rendered. Visitors were Mrs. Odesa Doby and Mrs. Hill, who participated on the program. Mrs. Minerva Snowden, President.

Longhorns Are Still Nation's Top Grid Team

By THE ASSOCIATED PRESS

The Texas Longhorns, who kept Arkansas from breaking up their marriage to the No. 1 spot in college football, are out to make sure that Rice won't interfere with an extended honeymoon.

The Longhorns were voted the top major college team in the country for the second straight week Monday in The Associated Press weekly poll of a panel of sports writers and broadcasters. Texas drew first-place votes on 50 of the 53 ballots.

The Longhorns completely outdistanced second-ranked Wisconsin in the voting despite a 17-13 squeaker over the Packers from Arkansas. The Badgers, 10-7 winners over Iowa, drew the other three votes for the top spot. Texas wound up with 527 points, Wisconsin 470.

Pittsburgh was third in the voting, Illinois fourth and Mississippi fifth, followed by Alabama, Oklahoma, Auburn, Northwestern and Navy. Ohio State, fourth a week ago, dropped out of the Top Ten after a 32-3 loss to Southern California and Georgia Tech, eighth last week; went out after a 29-26 loss to Auburn.

The Longhorns will be facing a tough assignment this Saturday night in the Rice Owls, who tied Texas 14-14 last year at this same stage of the season. That knocked the Longhorns from the No. 1 position they also held at this time last year.

The other members of the elite — with the exception of idle Auburn — also may be in for stiff competition this week on a program headlined by the meeting between Pitt's third-ranked Panthers and Navy's 10th-rated Middles.

Wisconsin faces Ohio State, Illinois takes on UCLA in a Friday night game, Mississippi meets Vanderbilt, Alabama tackles Houston, Oklahoma plays Kansas State and Northwestern goes against Michigan State.

The Top Ten teams with first-place votes in parentheses, and total points on a 10-9-8-etc. basis:

1. Texas (50)	527
2. Wisconsin (3)	470
3. Pittsburgh	393
4. Illinois	261
5. Mississippi	249
6. Mississippi	249
7. Alabama	215
8. Oklahoma	210
9. Auburn	177
10. Northwestern	141
11. Navy	96

EXTRA DISABILITY BENEFIT for WOODMEN OF THE WORLD MEMBERS!

Here's how Woodmen of the World's extra Disability Benefit works: If you become totally and permanently disabled after a year's membership and before age 60, you can turn in your certificate and receive one-half of the face amount in cash.

Most insuring organizations do not have this emergency benefit. With Woodmen of the World it's an extra value, written into every certificate except term.

Call today for specific details and for the full story on Woodmen of the World's outstanding program of protection plus fraternal and social benefits.

Some Old Pros Getting 2nd Chance

By MIKE RATHET
Associated Press Sports Writer

NEW YORK (AP) — Hanging out the pro football wash—and save a couple of clotheshops for the uniforms of Lamar McHan and Roman Gabriel, two guys who usually don't have much of a cleaning problem.

McHan, making his first start for San Francisco, engineered the top upset of the National Football League season, a 20-14 victory over previously unbeaten Chicago. Gabriel, going all the way for the first time, led Los Angeles to a 27-24 triumph over Minnesota.

It was the first victory for both the 49ers and Rams, and each quarterback got some valuable assistance.

McHan got his from end Gary Knafelc. Both were former teammates on the Green Bay Packers.

They got a chance to start because of injuries to quarterback John Brodie and end Monte Sticks—and wound up clicking on a seven-yard touchdown pass that turned out to be the clincher against the Bears.

Gabriel got his assistance from Don Heinrich, Ram assistant coach who used a system of rotating guards a la Paul Brown to send in many of the plays.

The whole thing wound up in an argument in the dressing room.

Don Chuy and Joe Scibelli, the guards, each insisted he brought in the better plays. They were both laughing.

It's been a long time since the Rams laughed. They had an eight-game losing streak and a non-winning string of 14 . . . The 49ers had lost seven in a row . . . The Cleveland Browns have a streak going in the opposite direction. This is the first time in a decade they have started out with six straight victories.

The American League may have a big reunion at its title game if Houston and San Diego make it. George Blanda of the Oilers and Tobin Rote of the Chargers both played in the NFL. They last met in a regular season game on Dec. 14, 1958. Rote's Lions beat Blanda's Bears 21-16 . . . Tommy Davis, who has scored 26 of San Francisco's 74 points with his kicking, is the only victim of a blocked punt in the NFL so far this season . . . Oakland's victory over New York gave Western AFL teams an 8-7-1 record against the East. Three teams in the Eastern section of the NFL, New York, Pittsburgh and St. Louis, have all scored 159 points.

McCarver Astounded by Honor

By NORMAN ROWLAND
NORMAN, Okla. (AP)—Tim McCarver, named Monday the National League's outstanding sophomore of 1963, says the honor caught him completely by surprise.

"I just feel wonderful," the 22-year-old St. Louis Cardinal catcher said. "I'm really honored—well, I'm just at a loss for words."

McCarver, who is attending the University of Oklahoma, said he had been so busy catching up with classwork after enrolling late that "baseball had sort of left my mind. I've been hitting the books pretty hard."

He is majoring in business. McCarver received 20 votes in the balloting by 44 baseball writers. Lou Brock, Chicago Cubs' outfielder, was second with six votes, followed by Donn Clendenon, Pittsburgh first baseman, four votes, and pitchers Denny Lemaster, Milwaukee, three each.

McCarver, a 6-1, 190-pounder, started the season as the Cardinals' No. 3 catcher behind Gene Oliver.

When To Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar period shown in regular type, are of somewhat shorter duration, as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours hereafter. The minor periods,

Hope Star SPORTS

Brittenum to Stay as No. 1 Quarterback

FAYETTEVILLE, Ark. (AP) — Arkansas Razorback Coach Frank Broyles indicated Monday that he is through juggling his backfield and, barring injuries, is set for a while with the one which started the Arkansas-Texas game last Saturday.

Broyles has been shifting backs from one position to another to compensate for injuries and to find a combination which could move the ball on offense.

Broyles now has three sophomores and a junior for his running-passing attack. They are sophomores John Brittenum at quarterback, Jim Lindsey at fullback, Jack Brasuell at tailback and junior Stan Sparks at wingback.

"I think we've gotten them placed about the best that we could," Broyles said Monday.

Brittenum was one of four quarterbacks who got a chance at the top spot as the season got underway. Lindsey moved from tailback to fullback, Brasuell shifted from wingback to tailback and Sparks moved from defensive "monster man" to wingback.

The Razorbacks worked out in sweat clothes Monday as they prepared for Saturday's inter-sectional game with Tulsa at Fayetteville.

Last Minute Wins Full of Emotion

By THE ASSOCIATED PRESS

These last-minute victories in Southwest Conference football have even the winning coaches so emotional they can't get over them by the time the next one comes around. Imagine what the losing coaches do.

Coach Darrell Royal of Texas admitted to moist palms during the last five minutes of his game with Arkansas last week when the Razorbacks were threatening after recovering a Texas fumble. Texas won 17-13.

Coach John Bridges of Baylor spoke of the strain he has experienced as his team played in three straight cliff-hangers.

"We had to come from behind in the rain at Oregon State, tied it up and finally lost in the final 27 seconds," Bridges said. "We had to come from behind twice against Arkansas and then had to come from 14-3 behind at the half against Texas Tech. It's been quite an emotional as well as physical strain."

The coaches wouldn't be surprised if they had more strains this week since some fierce feuds are to be renewed, like Texas vs. Rice at Austin and Baylor vs. Texas A&M at College Station.

And there seemed to be an uncommon outbreak of injuries as the teams moved into the stretch run.

Texas Christian should be happy it has the week off since it has three boys it needs to get back into shape. They are quarterback Randy Howard and ends Tom Bagoffin and Joe Ball.

Texas Tech lost halfback Roger Gill, who played well in the 21-17 loss to Baylor. Gill has a shoulder separation. The Techs play Southern Methodist at Dallas Saturday and the Methodists aren't exactly hale and hearty.

Ron Merritt, a starting tackle on the alternate unit, is lost for the season at SMU because of a knee injury. John Roderick, the running halfback, also is on the doubtful list.

Baylor's starting end, James Rust's favoring bruised ribs but he should be ready for the Aggie game.

A&M has three players on the ailing list and one of them, guard Mike Swan, definitely is out. The others, halfback Travis Reagan and end Tufty Fletcher, are doubtful.

Texas has only defensive halfback Tony King not likely to play against Rice.

Rice appears to be without an injury problem. In fact, things

ver and Carl Sawatski. Oliver was traded to Milwaukee in June, and McCarver passed Sawatski to become the No. 1 catcher.

In 127 games, McCarver batted .289, with 12 doubles, seven triples and four homers included among 117 hits. He batted in 51 runs and was the only Cardinal besides Bill White to hit a grand slam homer.

Gray to Be Used Only as Passer

By WICK TEMPLE
FAYETTEVILLE, Ark. (AP)

—What happened to Billy Gray? That's the question many Arkansas Razorback fans were asking after the hard 17-13 loss to Texas last week, in which sophomore quarterback Jon Brittenum logged virtually all the offensive playing time.

Gray, the pre-season quarterback, fear of opposing coaches was in for only one offensive play.

Coach Frank Broyles told the Associated Press that Brittenum was doing so well that he didn't feel he could have improved his offense by taking him out.

Gray, he said, is good on the drop - back pass. That Texas line was crashing so fast there wasn't time for a drop - back passer to get the ball away.

Brittenum ran for 38 yards and passed for 91 in the game in which Arkansas' second half comeback fell short.

"I was disappointed at not getting to play," Gray told the AP. "I wanted to play but I thought Jon was doing a good job. It looked like we were going to win and that's what mattered. Everyone wants to start and play a lot, but not everyone can."

Gray started against Oklahoma State and Missouri, then junior letterman Fred Marshall started against Texas Christian and Brittenum started against Baylor and Texas.

There is nothing wrong with Gray's work, Broyles said, it just wasn't suited to the offense the Hogs had to use against hard-charging Texas.

What can the fan expect for the rest of the season? Broyles was asked.

"Any of them will play," he said. "Jon will start the ball game and then we'll just play it by ear."

Gray said he wasn't starting "because they're not satisfied with my running. They want a running quarterback and I'm a passing quarterback."

He said he would continue to give 100 per cent effort and in practice and whatever role Broyles plays him in a game.

As to what the role would be, Gray said, "The same role I played last year—come in and throw."

He was a passing relief to hot-rod quarterback Billy Moore last year. Moore did the running and Gray came in effectively with timely passes. He hit on 22 of 35 passes last year for 340 yards and five touchdowns.

Broyles pointed out that Brittenum started against Baylor but "wasn't doing well, and Billy went in and played the whole second half."

This year Gray has passed for 327 yards and two touchdowns and completed 23 of 47 aerials. Brittenum was hit on 12 of 21 for 130 yards and two touchdowns.

Roach to Get Chance for Injured Starr

By JACK HAND
Associated Press Sports Writer

Quarterback Bart Starr's injury thrusts a back-breaking burden on John Roach, a 30-year-old benchwarmer in Green Bay's bid for a third straight National Football League title.

Roach, who has completed only two of seven passes as a stand-in for Starr and has had three intercepted, joins King Hill and Lamar McHan as former Chicago — now St. Louis — Cardinals who suddenly have become No. 1 quarterbacks.

Hill moved into the front row at Philadelphia after Sonny Jurgensen suffered a right shoulder injury in Sunday's game with Cleveland. McHan, cut loose by the Baltimore Colts, finally decided to join the San Francisco 49ers and passed them to their first victory of the season Sunday, an upset over the Chicago Bears. He replaced the injured John Brodie.

Starr suffered a broken right hand in the Packers' 30-7 victory over the Cardinals. He was injured in the third period when he ran with the ball and was bounced out of bounds by the Bears' Jimmy Hill.

A fist-swinging incident followed and Hill was put out of the game. The injury to Starr's hand reportedly occurred when he hit the ground before the fight. Hill claimed Starr had kicked him while both were on the ground.

With Starr out for possibly six weeks, Coach Vince Lombardi found himself with only Roach, a 6-foot-4 former Southern Methodist ace, as his lone quarterback. Roach had been drafted No. 3 by the old Cardinals in 1956. He spent the next two years in the service but saw plenty of service in both 1959 and 1960. Traded to Green Bay in 1961, he threw only 16 passes in two years before this season.

Although Starr has been erratic this year and has been intercepted 10 times, he has thrown eight touchdown passes and completed 50.7 per cent of his tosses. It was Starr, generally conceded to be an underrated quarterback, who led the Packers to the league championship in 1961 and 1962, beating the New York Giants in the playoffs.

Lombardi prefers to concentrate on one quarterback, giving the signal-caller control of the offense. In such a situation, the No. 2 man, Roach, had little chance to play.

Starr's injury probably will assure a tight race down to the wire in the Western Conference of the NFL where the Packers and Chicago Bears are tied for the lead with 5-1 records. After losing the opener to the Bears, Green Bay came back and won five in a row.

Apportion Measure to Be Studied

WASHINGTON (AP) — The Supreme Court agreed today to review a decision holding Delaware's recently enacted reapportionment plan unconstitutional.

The decision was given by a special three-judge U.S. District Court in Wilmington. It was appealed to the highest tribunal by a group of county and state officials who contended there had been a "gross abuse" of judicial power.

The Supreme Court set argument in the Delaware case for Dec. 9.

The District Court held the Delaware House of Representatives must be selected strictly on a population basis. It also held the Delaware Senate should be based substantially on population, but other factors may be given some weight in reapportionment.

The District Court rejected an argument that the Delaware Senate should follow the model of the United States Senate. It declared that unlike the states, "there never was much and there is now no sovereignty in the counties of Delaware."

What is the true alternative to World War III?

President Kennedy said, "In the development of the United Nations lies the only true alternative to war . . . never have the nations of the world had so much to lose or so much to gain."

The U.N. needs the world's moral support. Give it yours.

Rules Collection Fees Not Provided

LITTLE ROCK (AP)—The attorney general's office advised Yell County Treasurer James C. Pledger of Danville today that state law makes no provision for collection of a fee for handling money posted in lieu of bond by a man charged in a criminal case.

Pledger said he had attempted to collect a two per cent commission (\$10) from a man who had posted \$500 bond on a charge in Yell Circuit Court.

When he attempted to return only \$490 to the man, Pledger said, the man refused to accept it, insisting on the full \$500. The attorney general's office said the man was entitled to the full \$500.

Home Facing an Urgent Repair Job

By COLIN FROST

LONDON (AP)—Lord Home, Britain's new prime minister, today faced an urgent repair job on the Conservative party's election machinery, disrupted by defections at the top.

Home's quickly constructed Cabinet—largely a reshuffle of Harold Macmillan's—won general approval from Conservative newspapers and decision from pro-Labor commentators.

Editorial writers of both sides suggested the government must be handicapped by the refusal of Iain MacLeod and Enoch Powell to serve under Home.

MacLeod, one of the younger Tory progressives who backed Richard A. Butler in last week's struggle for the leadership was expected to resign as joint chairman of the Conservative party.

Informed sources said his co-chairman, financier Lord Poole, would resign with him. He had backed Science Minister Lord Hailsham to succeed Macmillan.

MacLeod and Poole were a formidable team in planning Conservative platform and finances for the national election next year. Their joint chairmanship probably will be turned into a one-man post and given to John Hare, 52, a former labor minister who took the secure post of chancellor of the Duchy of Lancaster in the new Cabinet.

Editorial reaction to Home's Cabinet ranged from "a good start" in the Conservative Daily Sketch to "grotesque" in the Laborite Daily Mirror.

Most political commentators believe MacLeod, by refusing office after winning an ovation at the recent Conservative party conference, staked an unenviable claim to the leadership if Home should falter.

Home's major innovation was to create a secretary for industry, trade and regional development and hand it to his former

Drought Belt Remains Dry, Dangerous

CHICAGO (AP)—The drought belt extending from Texas to New England remained explosively dry over the weekend as the effect on the nation's economy deepened.

Scattered rains brought scant relief to some spots, but the loss to crops and property from the dryness and accompanying fires is expected to run into the millions of dollars.

Fires have burned across thousands of acres of forests and woodlands. Pastures have turned brown. Wells and farm ponds have gone dry. Water is being rationed in some communities. The shortage of water has been felt in some of the major cities in the East.

The drought has delayed the seeding of winter wheat in the Great Plains. Livestock producers in many areas have marketed their cattle early because of shortage of feed and water. Milk production in many areas was far below seasonal levels.

Officials in several eastern and Midwest states have ordered the closing of many forests and woodlands. Hunting and fishing have been banned.

Although light rain fell in central sections of the nation over the weekend, Weather Bureau officials said heavy rains are needed.

A storm off the Atlantic Coast became a hurricane Sunday night. The hurricane, named Ginny, was accompanied by winds up to 85 m.p.h. A Weather Bureau forecaster said the storm, about 90 miles southeast off Cape Hatteras, N.C., could bring more wind than rain and thus increase the fire hazard in the parched Eastern forests.

On the bright side of the dismal weather picture, the nation's major winter vegetable and citrus growing regions — Florida, California and the low-

deputy foreign minister, Edward Heath, 47.

The new prime minister succeeded in getting his three major challengers for the party leadership to stick with him.

Butler, his chief rival and former deputy prime minister, took Home's old job of foreign secretary. Lord Hailsham continues as science minister and Chancellor of the Exchequer. Reginald Maudling stayed in his old post.

To replace MacLeod as floor leader in Commons, Home brought Selwyn Lloyd out of limbo and made him lord privy seal, giving him a seat in the Cabinet. Lloyd, foreign secretary for five years under Anthony Eden and Macmillan, was fired as chancellor of the exchequer in July 1962 because his wage freeze policy had been unpopular.

Porpoises Brought to Hot Springs

HOT SPRINGS, Ark. (AP) — What are believed to be the first porpoises in the state have been brought to Hot Springs by Animal Behavior Enterprises for research and training projects.

Four of the affectionate sea animals were flown from Gulfport, Miss., to Little Rock and transported to Hot Springs by truck.

The four porpoises were selected from a group of 30 captured in the Gulf of Mexico during a recent expedition of Animal Behavior Enterprises.

This group operates IQ Zoo in Hot Springs, but the porpoises, for now anyway, won't be on display. Arrangements for public viewing could be made in the future, said, Keller Brendal, president of Behavior Enterprises.

The porpoises will be kept in two large salt-water pools. One of the research projects is to see if the salt content of the water can be gradually decreased without harming the porpoises.

Bandits Control African Roads

ELISABETHVILLE, the Congo (AP)—With main roads out of Elisabethville virtually controlled by armed bands of thugs, United Nations troops today began escorting convoys of travelers.

Six Africans were murdered on the road to Jadoville Saturday. Since Friday more than 40 Africans have been held up, robbed and beaten on the roads.

er Rio Grande Valley — reported favorable growing conditions. Irrigation from wells provides sufficient moisture for crops in the Rio Grande and Florida.

The arid conditions in southern Maine, New Hampshire and Vermont remained critical. The fire danger was accelerated by high winds which accompanied the Atlantic storm that lashed the North Carolina coast and moved northward.
